That evening,  
Jae-Min put the tadpoles  
in a large bowl.  
After a few days, the tadpoles had  
two legs next to their tails.

After a few more days,  
they had front legs and the tails  
were gone.  
Two months later,  
each tadpole was a big frog!

TR. 1

A long time ago,  
there was a town of forest animals.  
They did not trust each other.  
So, there was no moon or stars in their  
sky.

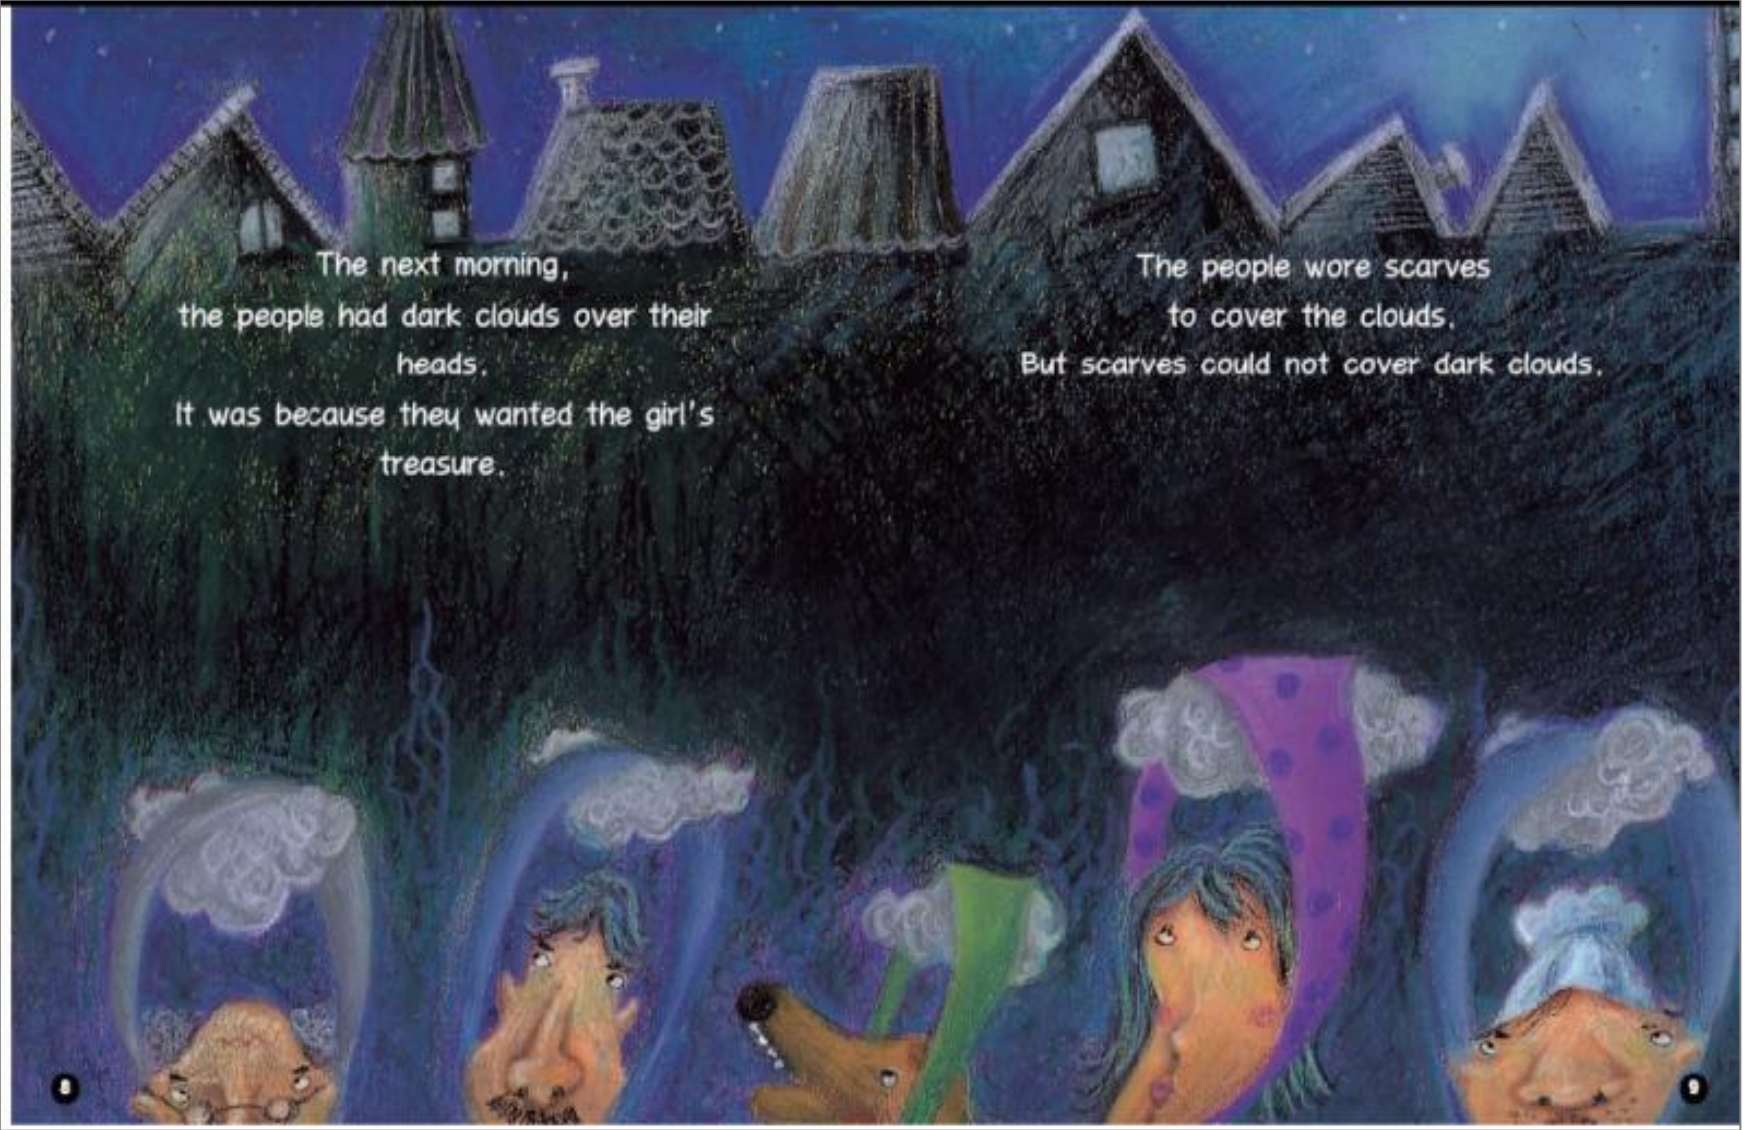

One day, a wolf with a large bag  
came to their town.  
"Who is he?" asked the animals.  
"What is in his bag?"  
The animals did not trust the wolf.

The next morning,  
the people had dark clouds over their  
heads.  
It was because they wanted the girl's  
treasure.

The people wore scarves  
to cover the clouds.  
But scarves could not cover dark clouds.

### Let's sing Little Mice TR. 4

Squeak! Squeak! There are mice,  
Set traps! Set traps to catch them,  
Feed the mice. Feed the mice.  
They need food to live on,  
Squeak! Squeak! There are mice,  
Every day feed the mice.

#### Lyrics

Squeak! Squeak! Let's dance all. We have to get out of here.  
Hey people, follow us. This house is going to fall.  
Squeak! Squeak! Little mice.  
Thank you, Thank you! You saved us.

### Let's chant! What's wrong? TR. 10

What's wrong? What's wrong?  
My pants are long, long, too long.  
Who will cut my pants?  
I'll do it! I'll do it! I'll do it.

What's wrong? What's wrong?  
My pants are long, long, too long.  
Who will cut my pants?  
She'll do it! She'll do it! Not me.
